MATTER OF INTERIOR

by ZF HOLDING

RESIDENTIAL PORTFOLIO

Residential interior design is about how a space feels, flows, and functions.

Our goal is to turn houses into homes that reflect your style, offering both comfort and luxury.

We consider proportions, textures, and natural light to design environments that are visually captivating and naturally livable.

VILLAS

VILLA MOUNTAIN VIEW

LOCATION : EL SHEIKH ZAYED, EGYPT

TYPE : STANDALONE VILLA

SCOPE : DESIGN

AREA : 509 m2

MV VILLA

LOCATION: EL SHEIKH ZAYED.

Mountain View Villa is designed to reflect modern high-end living within a compact space. The main challenge was the limited area across all floors, while the client's requirements exceeded the available space. Through smart planning, modern solutions, and creative design ideas, the space was optimized efficiently, resulting in a functional, elegant, and execution-ready home.
